

Sliding Pocket Door System without the need for architraves

Clean, contemporary and minimalist - when all you want to see is wall/door/wall.
The Sintesis Line has extra strengthening flanges at crucial points to guarantee a long lasting finish with no plaster cracking. We have paid particular attention to ensure this is the strongest system of this type on the market, a little more expensive but its worth it in the long run!

AVAILABLE ACCESSORIES

THE PERFECT FINISH

Vitro

Adapter for all-glass doors with stainless steel veil, accessories for stop jamb and brush holder in aluminum coated with paintable PVC, see page 55

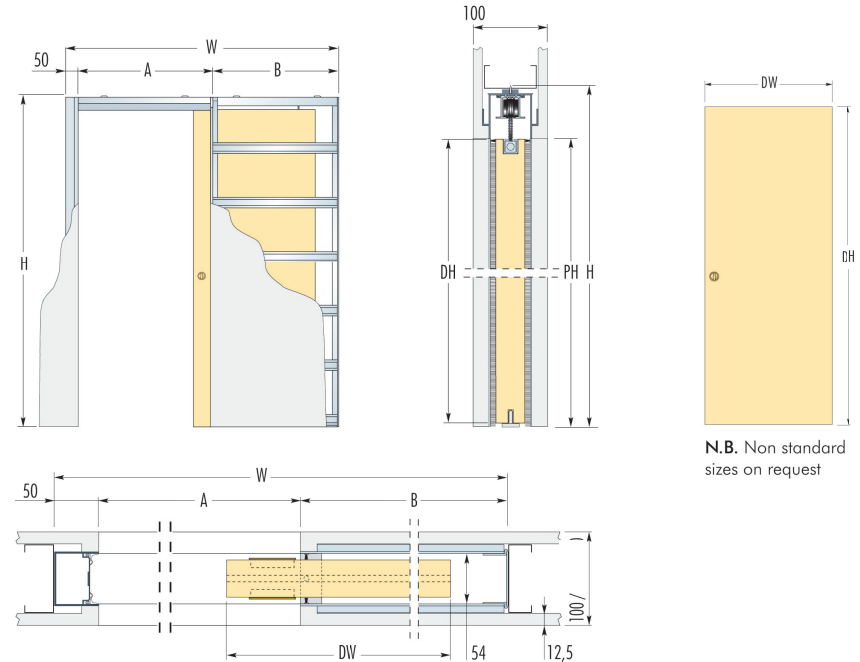

Door Furniture

Simple Flush Pulls and Bathroom furniture, see page 44

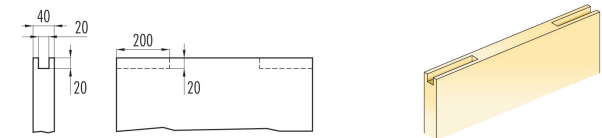

No architraves and a plaster finish all round the door opening for the perfect aesthetic.

finished wall thickness **100** mm

N.B. Non standard sizes on request

PS. The top of the door should be routed as indicated.

FRAMES FOR SINGLE DOORS				Finished Wall	DOOR PANEL UK		NOTES
Clearance A x PH	L	B	Overall Dimension W x H		Standard DW	DH	
600 x 2048	520	735	1385 x 2108	100	626	2040	Suitable for door thickness 35 to 40 mm Max door weight 80kg. When fitting flush pull handles we recommend the track stop to be positioned so the door protrudes from the pocket to avoid risk to fingers. Should the door be adjusted to retract fully into the pocket we do not accept any liability.
