

# Eclisse TELESCOPIC double

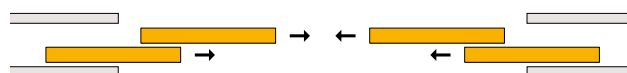

## Double Telescopic Sliding Pocket Door System

Telescopic double has four panels sliding into two pockets. This is a perfect choice in large areas like meeting rooms and offices.

This solution gives the maximum opening and light for the shortest wall space.

Flexible work space when you need it.

## Available Accessories

### Synchronisation

Open and close each pair of doors with one smooth action, see page 41

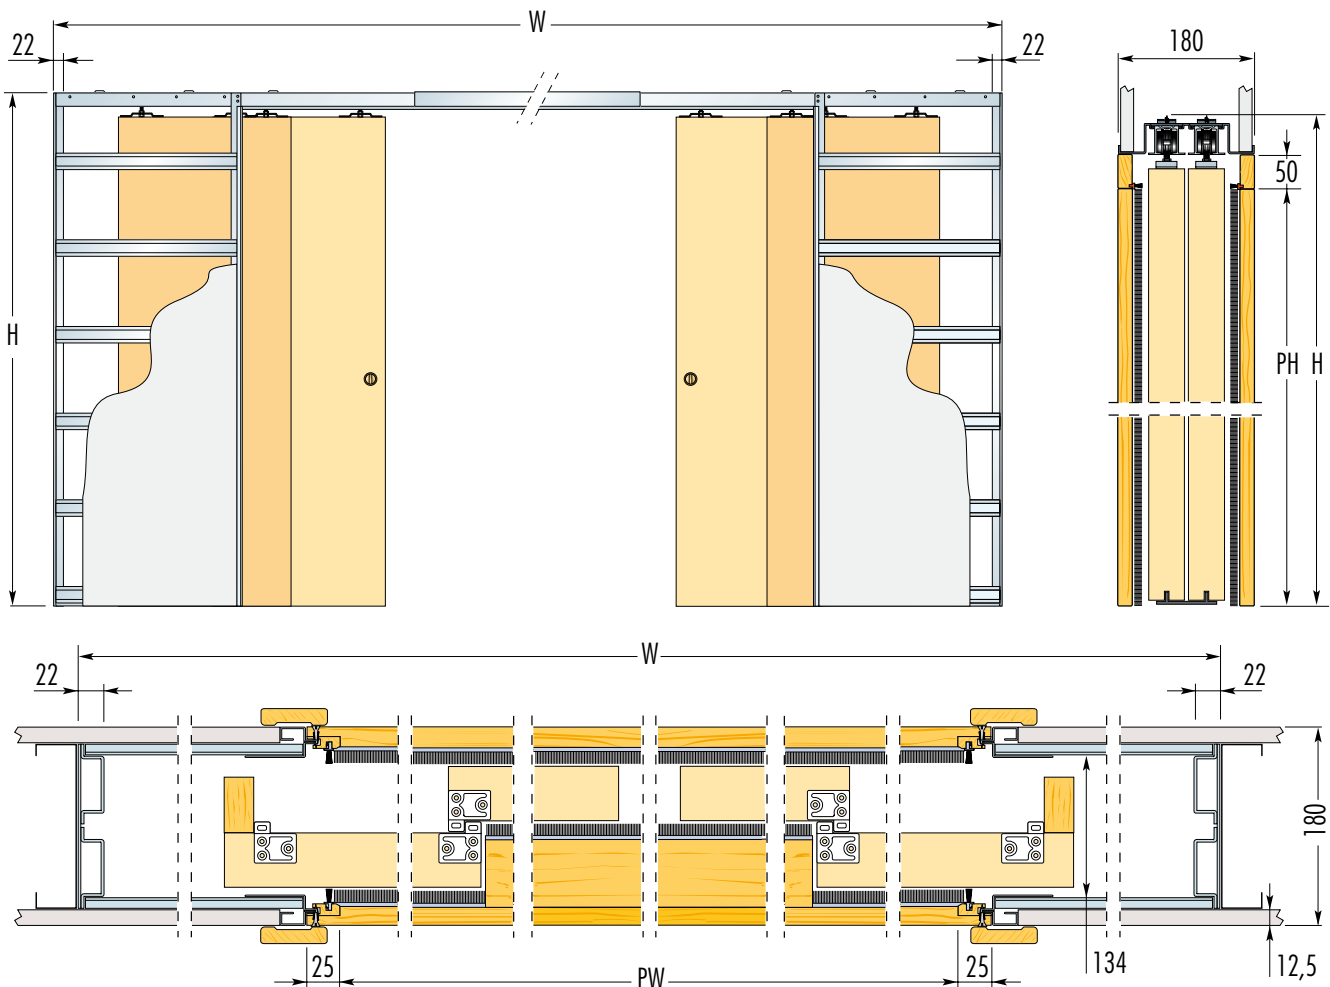

### Door Furniture
